SPEC'S Cheese of the Week

Barber's 1833 Vintage Cheddar

The Barber family has been making cheese on their farm in Somerset for six generations – since 1833. Made using traditional starter cultures, rich milk from their own cows, and always matured for at least 24 months, Barber's 1833 Vintage Reserve Cheddar is the culmination of all their achievements. A deliciously creamy cheese with both savory and naturally sweet notes.
